

PILLARS OF THE SEA 4

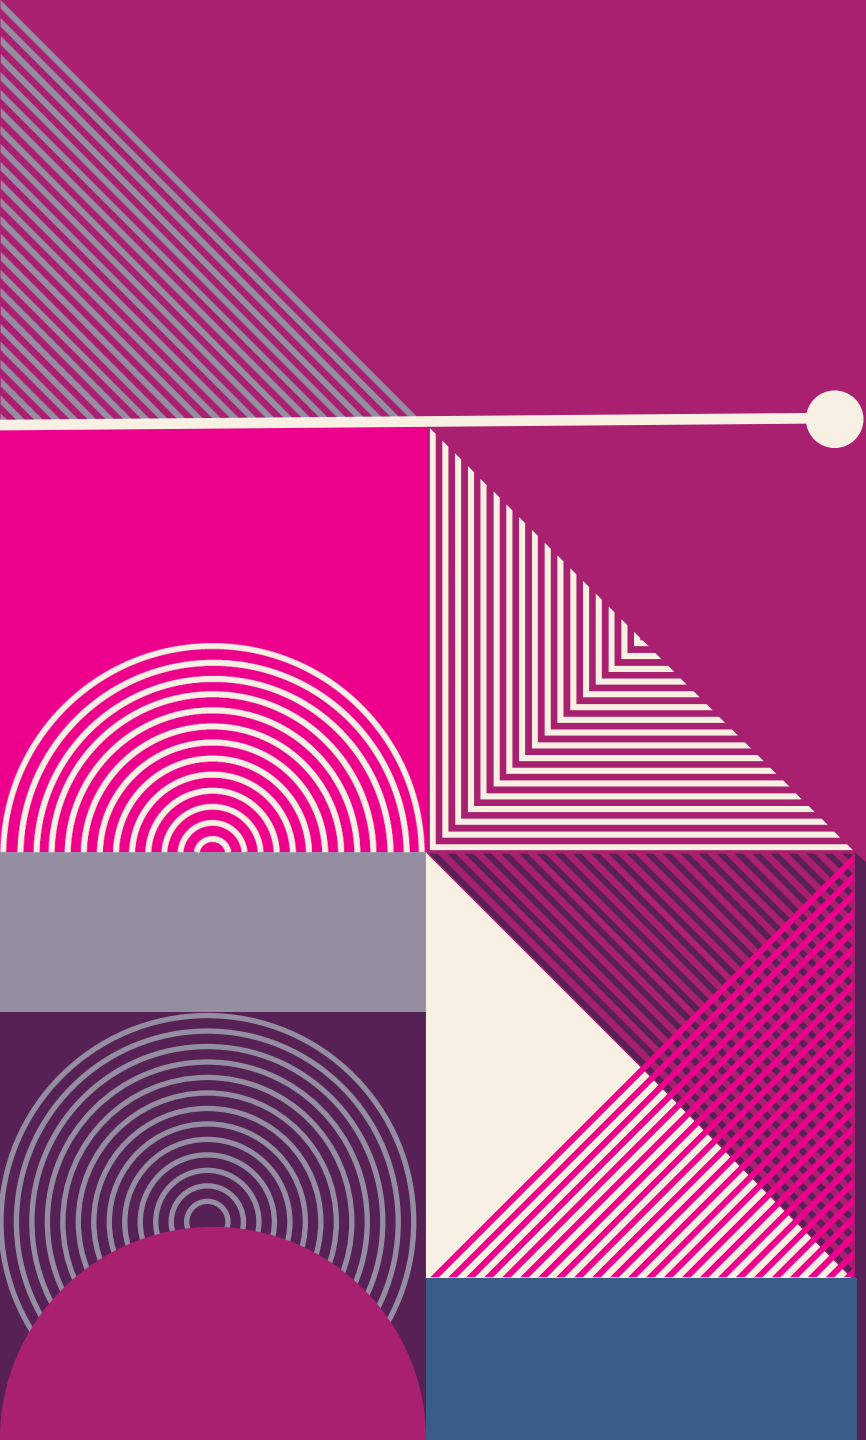

PILLARS OF THE SEA 4

- EU Funded project application ([Support for social dialogue \(SOCPL-2025-SOC-DIALOG\)](#))
- Implementation of SD work program
- Three pillars

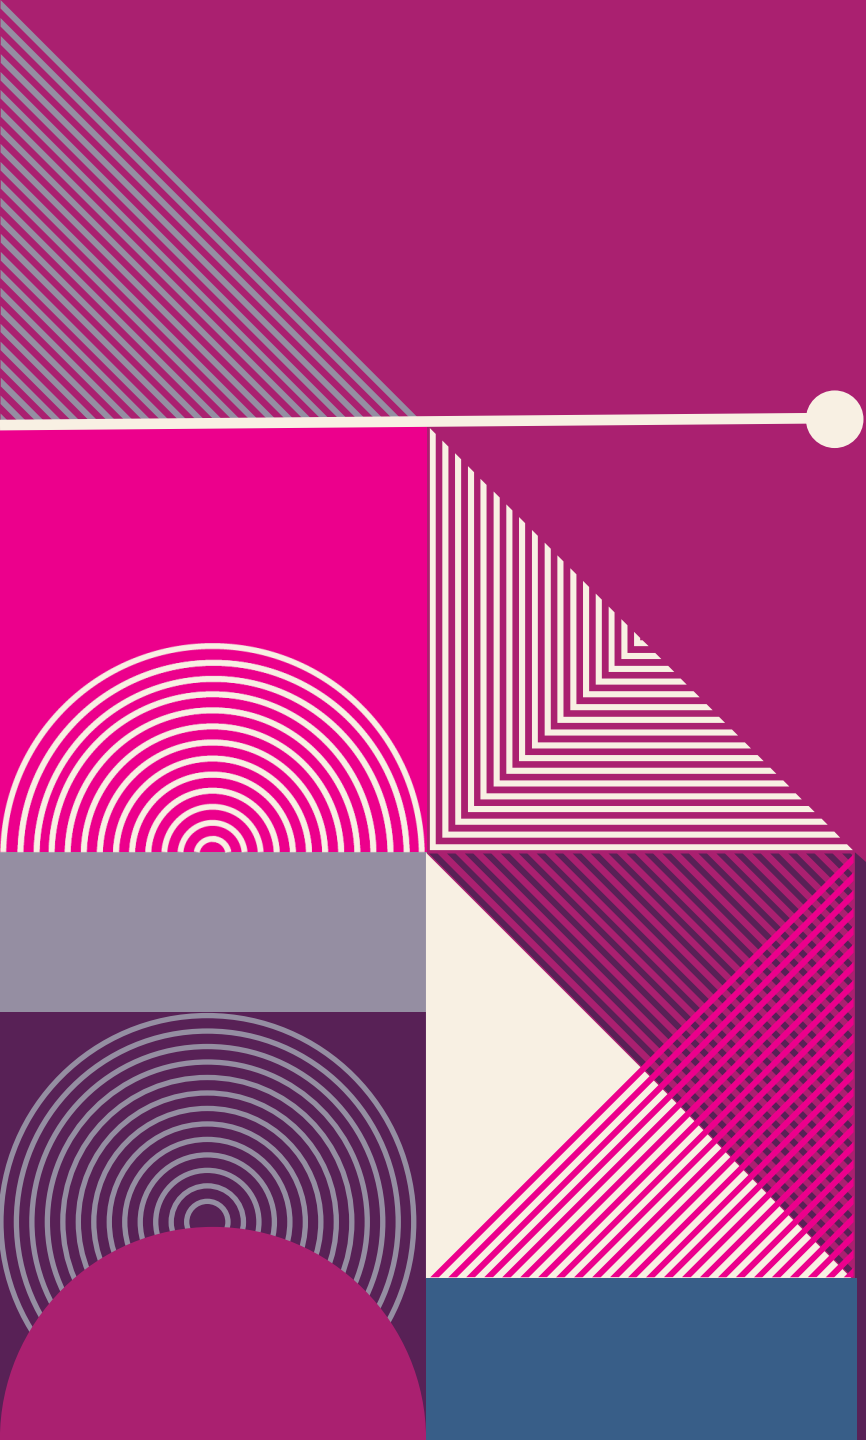

PILLAR ONE

Development of Occupational Health and Safety Guidelines, to be submitted to the ILO in the context of the work related to the “Work in Fishing” Convention (C188).

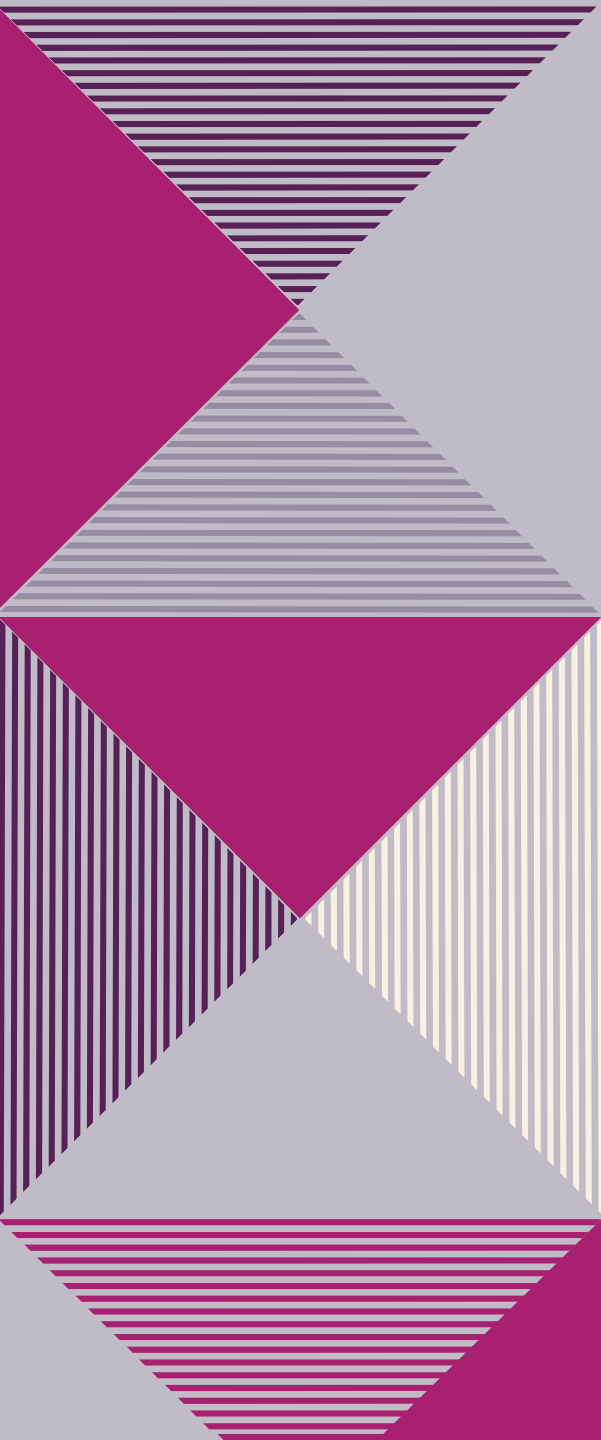

PILLAR TWO

Qualitative research through interviews in various Member States to explore the reasons why young workers and women are discouraged from entering the fisheries sector, with a focus on barriers to attractiveness, good practices, and required skills.

PILLAR THREE

Drafting a proposal for an EU Directive to support the control and enforcement of ILO C188. This includes mapping the ratification and implementation of C188 and Directive 2017/159 across Member States, identifying gaps and discrepancies, and preparing a draft text for a potential Directive.
