Juana María Parada Guinaldo (Spain)

Managing Director of the Organization of Producers of long-distance surface longline vessels (ORPAGU)

When did you start to participate in LDAC meetings? What is your motivation for participating in them?

I started in 2008, but ORPAGU has participated since the foundation of the LDAC. It is a fundamental forum for exchanging opinions with all interested parties, presenting the group's position to the Commission and learning first-hand about the forthcoming regulatory changes.

What are in your view the three main priorities/current challenges for achieving sustainable fisheries?

- **Level playing field.**
- **Consensus between industry, administration and NGOs.**
- **Work within the RFMOs.**

Can you name an inspiring figure in your field of expertise?

Without a doubt, the fishermen and fisherwomen, all of them, without exception.

Which book, radio show, TV series or film related to the sea would you recommend?

Vivir o Mar, Agrosfera and National Geographic.

What is your favourite fish dish and why?

All the fish and shellfish of European origin, because it has a great variety, as well as a guarantee of quality and food safety. And it's also delicious.
