Lucas Lorenzo (Spain)

General Director of ANASCO.

When did you start to participate in LDAC meetings? What is your motivation for participating in them?

Started in 2025, as the representative of ANASCO, which has been part of LDAC meetings for many years.

I find it a very suitable platform to gather the main players and OIG, towards the defence and development of a more stronger and sustainable sector, which has a great contribution to society.

What are in your view the three main priorities/current challenges for achieving sustainable fisheries?-

- **Finding common grounds between conservation and development.**
- **Developing self-sustainable / low-cost well-recognized referential certifications.**
- **Enriching Governments decision making process on resource management.**

Can you name an inspiring figure in your field of expertise?

All the pioneers exploring the unknown, to build an industry from which many live today.

Which book, radio show, TV series or film related to the sea would you recommend?

Enciclopedia General del Mar (Garriga).

What is your favourite fish dish and why?

Galician style Monkfish. Great memories, healthy and tasty.
